

INSTRUCTIONS

Return Shipment

➤ FIBRO reusable
packaging system

precision is our standard

With this delivery, you receive the environmentally friendly FIBRO Standard Parts Box.

Return shipping is free of charge. The label is enclosed.
Below you will find instructions on how to prepare the box for return shipment.

- 1 Remove the goods and disassemble the box into its individual components.
- 2 Turn the lid of the box upside down so that the opening faces upward.
- 3 Now place the pallet with the feet facing downward into the lid (see image).
- 4 Take the frame (ring) and fold it together.
- 5 Place the folded ring on top of the pallet.
- 6 Place the pallet insert board and the hold-down lid on the folded ring.
- 7 Secure everything with strapping bands or, alternatively, with adhesive tape.
- 8 Attach the enclosed return label to the pallet insert board.
- 9 Hand over the shipment to the shipping service provider

➤ Thank you for your support.
